Course Description:

This 21-hour course combines classroom instruction and hands-on activities in preparation for taking the ISA Certified Arborist examination. Three years of experience is required to take the exam. For more information, visit www.isa-arbor.com. Subjects covered in the course include soil management, identification/selection, installation/establishment, safe working practices, tree biology, pruning, diagnosis/treatment, urban forestry, tree protection, and tree risk management. Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to certified arborists and relevant to the professional development of the student. Students receive continuing education credits. **Fee:** \$96, not including books.

To register, go to www.accd.edu/sac/ce. For more information about registering, call Steven Lewis at 210.486.0417. For questions about the course, or for information about purchasing an ISA Study Guide, please contact Sasha Kodet at 210.207.3270. Directions to the Garden: Take Hwy 281 to Hildebrand east. Turn right on Broadway, then left on Funston. The Botanical Garden is on the left-hand side.

The San Antonio Arborist Association will sponsor a luncheon on Wednesday, May 19 at 11:30 am.
